

Outreach Worker
Valley Community Services Society
22-28 hours per week
Start Date: June 10, 2019

This is a permanent, part time position with benefits after 6 months.

We are looking for a creative, positive individual to join our dynamic outreach team.

Outreach workers provide emotional/educational support to children, youth, and their families through strengths based/trauma informed interventions that follow a psycho-educational model. This position provides guidance and support to parents, children and youth who are gaining basic independent living/life skills, social/emotional/regulation and parenting skills to meet their goals and improve their situation. Services are provided in various locations including VCS offices, schools, homes and the community.

Starting Wage \$19.00/hour

QUALIFICATIONS:

- Post- secondary diploma/certificate in a relevant field and experience supporting children, youth and families.
- Training in child/adolescent development, trauma informed interventions, collaborative problem solving preferred
- Knowledge of MCFD system and CFCSA Act
- Current Criminal Record Check
- First Aid Certificate
- BC Driver's license and abstract
- Reliable vehicle
- Brain Story Certification preferred (www.albertafamilywellness.org)
